

## How Do You Gain The Information You Need To Make Your Financial Decisions?

With over 50 years of combined experience, Fritz Bowman and Daintry Price operate a financial planning practice. Their specialty integrates both personal and business financial planning. The level of service provided depends on the unique circumstance of each client.

Due to the changing financial industry and client needs, Bowman Price finds that collaborating with other professional colleagues leads to efficient and effective client solutions.

The planning process is a sequence of steps:

- Data Gathering
- Analysis
- Recommendations
- Client review and implementation

To help you answer questions such as:

- What are the steps to achieve your goals?
- How do you determine how much money is enough?
- How do you preserve what you have?

For more detail on the planning process and services, please go to our website:
